

Dear Colleague,

SHECASA CONFERENCE: 3 – 4 SEPTEMBER 2019 AT THE UNIVERSITY OF JOHANNESBURG, GAUTENG

One of our duties, as SHE Professionals in our respective Institutions, is to advise management and especially the Vice-Chancellor (OHASA Section 16(1) appointee), on all matters relating to Occupational Health and Safety in order to ensure a safe and healthy work and learning environment and to comply with relevant SHE Legislation.

SHECASA's mission is to actively facilitate and promote networking, sharing of ideas, expertise, knowledge, research and experience towards excellence in SHE management by SHE practitioners at Tertiary Education Institutions.

One of the ways in which SHECASA fulfils the mission is to arrange conferences where SHE Professionals have the opportunity to listen and interact with experts and their counterparts in the field of Occupational Health and Safety so that they, in turn, can provide better advice and service within their respective Institutions.

The overall topic/theme for this year's conference on 3 and 4 September 2019 is **“Shaping the Future of OHS in the Universities”** Some of the topics to be covered are: Fire Risks in the workplace, Universal Accessibility, Emergency Preparedness & Compliance, etc.

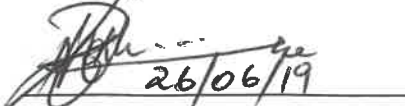

The **cost** for attending the two days conference will be **R1 950.00 per delegate of Institutions whose 2019 membership fee is paid up**. All other delegates will pay a conference fee of **R2 500.00**.

Members are encouraged to register for the conference on or before the **31 of July 2019**. Registration will close on 15th of August 2019. We need to get the final figures for our hosts, the University of Johannesburg, so that they can make the necessary provision.

I trust, through the support of all the Tertiary Education Institutions and SHE Professionals that have been invited, that the 2019 conference will, once again, be a great success!

I am looking forward to see you on the 3rd and 4th of September in Johannesburg!

Kind Regards

26/06/19
